“neighbors helping neighbors”

October 2018

Dear SNAP friends and neighbors:

Every day of the year, in our service area in northeast Tucson, SNAP helps our neighbors experience independence and a good quality of life, through our free core services, educational programs and social activities. As we complete our 10th year of service to the community, and look ahead to our next decade, we see that SNAP’s “neighbors helping neighbors” services and programs are needed more than ever.

Once a year, we ask you – our residents, clients, supporters and neighbors who understand how special SNAP is – to give to SNAP’s Annual Appeal.

Your Annual Appeal gifts help us not only to continue and coordinate exceptional free services of transportation, friendly visits and caregiver relief, but also to expand dimensions of positive aging activities in our community.

Here are some important highlights of what SNAP already has accomplished to-date in 2018:

- SNAP fulfilled 1400-plus services for clients (who are our neighbors, friends, even some of us, personally!) These services included transportation to medical appointments, assistance with shopping or errands, special one-to-one visits, temporary assistance with meals, friendly reassurance phone calls and even help with small home repair tasks or loans of gently-used home health equipment.
- More than 100 dedicated SNAP volunteers have given 3800-plus hours of free volunteer services to their neighbors.
- SNAP welcomed more than 200 members of our community to education or social programs that ranged from tech training and ice cream socials, to discussions on successful aging-in-place. SNAP also hosted an additional 25 small group gatherings, including Lunch Bunch and Caregiver Support groups.

The statistics certainly are important. ***But the names and faces behind each number are what drive our SNAP non-profit organization forward and add personal value to our mission.*** This is what your past donations have helped us accomplish. Your gifts honor those who strive to age in place, positively.

Will you help SNAP fulfill our mission?

Any amount is appreciated, but a suggested gift of \$100 will help SNAP reach expanded horizons of neighborliness, ensuring that quality of life is not an afterthought in our community. Everyone who contributes to SNAP’s Annual Appeal – at any level – will be recognized as a member of our SNAPCircle of supporters.

With your help, SNAP will be here to help us (and future generations) age in place, in our own homes, for as long as possible. SNAP pledges to be wise stewards of your financial support and of our mutual goals of developing age-friendly, livable communities. When we work together, we accomplish and expand upon what is often overlooked – a “neighbors helping neighbors” commitment to preserving a high quality of community life, and to our shared quest for independent living.

Please join us in our SnapCircle of supporters!

Sincerely,

Jeff Bartell,
SNAP President

Ken Smith,
SNAP Development Director

Monica Surfaro Spigelman,
SNAP Managing Director
